### DRAFT AGENDA

ANNUAL REVIEW PANEL MEETING		
1.	<b>Roll Call, Agenda Review, Goals of the Meeting</b>	9:00 Jay Davis
2.	<b>Information: General Update on SWAMP and BOG Developments Since the Last Review Panel Meeting, and Future Plans</b> (Attachment: Cruise Report from 2015)	9:10 Jay Davis, Group
3.	<b>Discussion: Draft Report on the Clean Lakes Study</b> (Attachment: Draft report to be distributed on March 28) The draft report that was presented and reviewed last fall has been revised in response to comments and updated to include discussion of the water and sediment data, and data from Region 7. A summary of the report will be presented, followed by a discussion of comments on the draft report. Written comments on the report are requested by April 27. <b>Desired Outcome:</b> Obtain input on the study from the Review Panel and stakeholders via a group discussion. Input will guide preparation of the final report.	9:30 Jay Davis
<b>LUNCH</b>		11:30
4.	<b>Discussion: Revised Safe to Eat Portal</b> A subcommittee of the BOG was formed and met in January to discuss ways of communicating BOG results to the public. The group decided to begin by revising the presentation on the Safe to Eat Portal. The latest version of the Portal, incorporating recommendations from the subcommittee, will be presented. <b>Desired Outcome:</b> Obtain input on the Portal from the Review Panel and stakeholders via a group discussion.	12:30 Jay Davis
5.	<b>Discussion: 2016 Lake Monitoring Design</b> (Attachment: Draft Sampling Plan to be distributed on March 23) Based on BOG discussions over the past few meetings, sampling in 2016 will focus on addressing priority information gaps identified by the regional boards for sport fish in lakes. A draft plan has been prepared, with a planned start date of May 2016. The plan will be	1:00 Jay Davis

	presented, followed by group discussion. Written comments on the draft sampling plan are requested by April 13. <b>Desired outcome:</b> Obtain input on the draft sampling plan from the Review Panel and stakeholders via a group discussion. Input will guide preparation of the final sampling plan.	
5.	<b>Discussion: Long-term Sport Fish Monitoring Plan</b> The overall long-term plan for sport fish sampling across all water body types will be presented and discussed. <b>Desired outcome:</b> Obtain input on the plan.	2:30 Jay Davis
6.	<b>Information: Timeline for 2016</b> Other major items this year include: Clean Lakes Fact Sheet; Sampling Plan for 2017 (Bass Lakes - Round 2). <b>Desired outcomes:</b> The group is informed and provides input on plans for the rest of the year.	2:50 Jay Davis
7.	<b>Wrap-up and Adjourn</b>	3:00 Jay Davis
